

Ordering your Supplies

A few weeks prior to puppy go home day Please go to the **STORE** page on our website and use our links for your **Puppy Food**, **NuVet Supplements** NuVet Plus and NuVet Joint and your **Kuranda Bed** (we also have a separate page for NuVet on its own). By using our links it makes ordering easy and you will get the right products and right sizes! Also, If you choose to order a Kuranda Bed using

our link it helps the wounded warriors at no cost to you so consider using our link.

Your Life's Abundance Account will be set up for you about 3 weeks before the puppy go home day. **PLEASE DON'T JUST GO TO THEIR SITE AND SET UP YOUR OWN ACCOUNT.** They don't sell to the general public, so they will sign you up under another breeder if you do that! If you want to order your products earlier, just let me know and I will set up your account earlier for you.

If you make it a habit to just go to our store you will see updates and new products as we add them. We also partner with different vendors to get you special pricing. If you go straight to the vendor websites you will miss our updates and new product announcements and special pricing opportunities. It's simple: Make it a habit to use our links.

Don't hesitate to call me or send me a text if you have any questions.
