

Central Coast German Shepherds

Puppy Health Insurance ~ FREE COVERAGE for your first 30 days.

Please consider signing up for Trupanion Health Insurance. We offer 30 Days FREE Coverage, no waiting period and Trupanion will waive the sign-up Fee. You Never know when you will need the Insurance. I highly recommend the Insurance, at least for the first 30 days. Many new puppy owners wish they had ordered the Health Insurance when their puppy ate something they shouldn't have. It happens! It's FREE for 30 days! This is a special offer given through Central Coast German Shepherds. If you wish

to take advantage of this program **you must order it either prior to picking up your puppy OR within 24 hours of picking up your puppy.**

All you have to do is call Trupanion (They are open on Saturdays too). Trupanion can be reached at **855-405-3755**. Our Breeder number is: **BR1CC3420** Accidents do happen and it's nice to know you are covered.

During the 30 day FREE Coverage period with Trupanion Health Insurance you may wish to get some additional quotes. Another great option is **Pets Best Pet Health Insurance**. You might want to get a bid to compare for long term plans. They can be reached at : **(877) 738-7237** if you wish to get a quote from them as well.

We are not affiliated with either of these health insurance companies. We simply offer this as a Breeder Benefit Program through Trupanion.
