

Badass Breeder Puppy Score Card

x **MALE**

Jean X Yuri Litter
7/17/24

Puppy: ROMAN - Blue Collar Male

Trait Tested	Low	Medium	High
Assertiveness (human) High = Puppy gets into your personal space can be pushy. Generally very intelligent, tries to figure out what you want.	X		
Confidence will continue to develop over time with boundaries and supportive environment. *belief in own abilities - approach to a new situation*		X	
Motivation Level *intrinsic desire to work for and with you - workability*		X	
Nerve Strength/Resiliency *ability to handle and manage stress in reaction to situations*		X	
Touch Tolerance will develop more as you continue to touch all parts of your puppy			X
Energy Level German Shepherds are herding dogs. They are pretty high energy dogs especially as puppies!		X	
Sound Sensitivity Low score means not sensitive to loud or unfamiliar noise.		X	
Sight Sensitivity Low score means not sensitive to bright lights.	X		
Prey Drive High would be desirable for IPO or Schutzhund, Protection. We do not develop this further but you can by playing tug etc. some puppies have natural higher drive -easier to develop		X	
Human Focus (pack drive) High is very focused on handler and would not be considered an independent dog. -		X	

Trait Tested	Not	Moderately	Highly	Extremely
Tenderhearted Soft Personality - Does not need much correction		X		

Trait Tested	Submissive	Neutral	Assertive
Dog Friendliness submissive generally gets along with all dogs when properly socialized well as a puppy.	X		

Notes All puppies should be well socialized with the environment, people and animals in order to develop into well balanced adult dogs without developing fear aggression. Personality traits can be influenced significantly by a puppies environment. Please provide boundaries, enrichment, structure, consistency in training
